Meeting:

1. Call to order at 1:09 p.m.
2. Approved meeting minutes from March 6th meeting.
3. Bylaws have been approved. Coordinator will establish if there is a need for signature and notarization, and when that would occur.
4. Annual Spring Seminar
 - a. We are looking at two organizations to sponsor breakfast and snacks.
 - b. We will be hosting a resource fair in conjunction with the presentation portion. There will be space for 11 different organizations. JJC coordinator will ensure that NAACP, Boys and Girls Club, and Coalition Legal are invited to have a table.
5. Site Visit Summary: The Lake County JJC impressed the IJJC's new executive director. The biggest thing to conclude from the site visit is that there will be a change in funding. The commission was not entirely clear on how it will (or will not) affect our JJC.
6. Eric suggested to host a presentation about the Local School Record Act.
7. Board members are interested in an in person board meeting.
8. The next Board meeting is May 1, 2024.

9. Adjourned at 1:45 p.m.
